I will read an expert from the service manual which has been inspiring for me to continue to show up for service in Alcoholics Anonymous written by Bernard Smith a nonalcoholic trustee answered the question, Why Do We Need a Conference? Then chairperson of the board of trustees, and one of the architects of the Conference structure, answered that question superbly in his opening talk at the 1954 meeting:

“We may not need a General Service Conference to ensure our own recovery. We do need it to ensure the recovery of the alcoholic who still stumbles in the darkness one short block from this room. We need it to ensure the recovery of a child being born tonight, destined for alcoholism.
