THE THIRD LEGACY PROCEDURE

The AA Service Manual, pp. S20-S21

A.A.’s Third Legacy Procedure is a special type of electoral procedure, used primarily for the election of delegates and regional and at-large trustees. It is considered to be unique to A.A., and at first glance, appears to introduce a strong element of chance into a matter that should depend solely on the judgment of the majority. In practice, however, it has proved highly successful in eliminating the influence of factions or parties that seem to thrive on most political scenes. The railroading of a candidate for election is made difficult, if not impossible, since voters have a wide selection of candidates to choose from. More importantly, a second-place candidate who may be extremely well qualified but without early popular support is encouraged to stay in the balloting, rather than withdraw.

Third Legacy Procedures is as follows:

- The names of eligible candidates are posted on a board. All voting members cast written ballots, one choice to a ballot. The tally for each candidate is posted on the board. The first candidate to receive two-thirds of the total vote is elected.
- Withdrawals start after the second ballot. If any candidate has less than one-fifth of the total vote, his or her name is automatically withdrawn - except that the top two candidates must remain. (In case of ties for second place, the top candidate and all tied runners-up remain as candidates.)
- After the third ballot, candidates with less than one-third of the total vote will be withdrawn automatically, except the two top candidates remain. (In case there are ties for second place, the top candidate and all tied runners-up remain as candidates.)
- After the fourth ballot, if no candidate has two-thirds of the total vote, the candidate with the smallest total is automatically withdrawn, except that the top two candidates remain. In case there are ties for second place, the top candidate and all tied second-place candidates remain. At this point the Chairperson asks for a motion, second and a simple majority of hands on conducting a fifth and final ballot. If this motion is defeated, balloting is over and the choice is made by lot - “going to the hat”- immediately. If the motion carries, a fifth and final ballot is conducted.
- If after the fifth ballot no election occurs, the Chairperson announces that the choice will be made by lot (from the hat). At this point, the top two candidates remain. In case there are ties for first place, all tied first place candidates remain. In case there are no ties for first place, the top candidate and any tied second place candidates remain.
- Lots are then drawn by the teller, and the first one “out of the hat” is the delegate (or trustee or other officer).

ROBERT'S RULES OF ORDER

Modified by The Twelve Traditions, Adapted for Napa Valley Intergroup

What are Robert's Rules of Order?

They are set of guidelines for conducting business first written in 1876. Clubs, organizations, associations and conventions generally utilize Robert's Rules for business meetings.

Why is Robert's Rules Important?

These guidelines allow everyone to be heard so this group can make decisions without confusion. This version of Robert's Rules has been modified to fit the needs of Napa Valley Intergroup. Today, Robert's Rules of Order are the basic meeting operation for AA at the District, Area, Regional and National level, so it's important that everyone know these basic procedures. They should not be utilized in a way to stifle full discussion of an issue. We use these guidelines, but keep in mind that they must occasionally give way to the 12 Traditions.

Moving to Motion:

A motion is a proposal that the entire membership take action or a stand on an issue. Only members that can vote on motions (Intergroup Representatives) may make motions. Motions cannot be made when any other motion is on the floor. Original motions yield to subsidiary motions such as amendments.

- i. To Begin
 - i. Obtain the floor by raising your hand during the 'New Business' portion of the meeting.
 - ii. Wait until the last speaker has finished.
 - iii. Always wait until the Chairperson recognizes you.
- ii. Make Your Motion.
 - i. Speak in a clear and concise manner. It is sometimes helpful to write out your motion before saying it.
 - ii. Always state a motion affirmatively. Say, "I move that we..." rather than, "I move that we do not..."
- iii. Second the Motion.
 - i. Another member will second your motion or the Chairperson will call for a second.
 - ii. If there is no second to your motion it is lost.
 - iii. It is generally not advisable to second a motion to simply get on with the discussion. The better course is to wait for the motion to fail without a second and then make a new motion. This avoids the problem of having to overly amend a motion that is not effectively worded in the first place.
- iv. The Chairperson States Your Motion.
 - i. The Chairperson will say, "It has been moved and seconded that we..." Thus placing your motion before the membership for consideration and action.
 - ii. Once the Chairperson presents your motion to the membership it becomes "assembly property," and must follow the amendment procedure (item 9 below) to be modified.
- v. The Motion is Discussed.
 - i. The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it. The mover is always allowed to speak first.
 - ii. All comments and debate must be directed to the Chairperson.
 - iii. The membership then either discuss and debate your motion, or may move directly to a vote.
 - iv. Any member may speak on a motion once.
 - v. To speak, the Chairperson must call on a member.
 - vi. The mover may not speak again, unless called upon by the Chairperson.
- vi. Putting the Question to the Membership.
 - i. The Chairperson asks, "Are you ready to vote on the question?" If there is no more discussion, a vote is taken.
- vii. Voting on a Motion - at the discretion of the Chairperson, one of three methods of voting will be used:
 - i. By Voice -- The Chairperson asks those in favor to say, "Aye," those opposed to say "no", and ask for any abstentions. The only reason to abstain from the vote is if you could personally gain or profit from the motion. Any member may move for an exact count.
 - ii. By a Show of Hands -- Each member raises their hand until all hands are counted. This method is used for counting dissenting votes also.
 - iii. By Ballot -- Members write their vote on a slip of paper; this method is used when secrecy is desired, such as during elections of committee members. (Please see Third Legacy on page 4)
- viii. Minority Opinion - the minority opinion is very important to AA and helps to preserve our Traditions. Following a vote, the Chairperson will ask to hear from the minority opinion. The Chairperson can choose how many minority opinions will be heard. The purpose is to persuade even one person from the majority to change their opinion and move for reconsideration.

Napa Valley Intergroup Bylaws

- i. If any member who voted on the prevailing side of the question raise their hands the request to reconsider a vote is considered made and seconded and discussion resumes on the matter as if the original vote had not taken place.
 - ii. This is not discussion, and no rebuttal by a member of the majority is allowed.
 - iii. If the motion that is being reconsidered is not debatable, then the motion to reconsider is not debatable.
 - iv. A matter may be reconsidered only once. Motions to reconsider or table cannot be subject to a motion to reconsider.
 - v. Motions to reconsider must be made at the same meeting at which the vote being reconsidered was taken.
- ix. Amending a Motion - when a motion requires change before approval, a motion to amend the motion may be made.
- i. A "friendly" amendment is suggested to the person making the motion and accepted by him. The Chairperson will then restate the question with the amendment included and discussion on the amended motion continues.
 - ii. A "formal" motion to amend is done by inserting, adding, deleting or changing the motion. For example, if the motion is to allocate \$500.00 to some task, and the discussion indicated the assembly thought that amount was too much, a member could amend the motion by saying "I move to change the motion from \$500.00 to \$250.00."
 - iii. Formal motions to amend must be seconded.
 - iv. If seconded, discussion of the motion to amend takes precedence over the main motion and the discussion then focuses on the amendment.
 - v. Once the assembly votes on the amendment, the discussion of the main motion resumes.
- x. Tabling a Motion - tabling a motion has the effect of removing the motion from further consideration at that time, and postpones it to such time in the future when it is taken off the table.
- i. A motion to table requires a second.
 - ii. Motions to table are not debatable.
 - iii. Motions to table require a simple majority to pass.
 - iv. If the matter is to be postponed to a specific time, then the appropriate motion is not to table, but to postpone until the specified date.
- xi. Point of Order - it is the duty of the Chairperson to enforce the guidelines of the meeting. It is the right of each member of the meeting who notices a shift from these guidelines to bring the problem the Chairperson's attention by calling "Point of Order".
- i. The Chairperson may stop discussion that does not follow the guidelines of the meeting without calling "Point of Order". An explanation of the guideline will be provided before discussion on the motion continues.
 - ii. Any member may call "Point of Order" from the meeting floor.
 - iii. The discussion stops and the Chairperson will address the guideline question before continuing.
 - iv. The Chairperson may request the assistance of a member to suggest an interpretation of these guidelines to the Chairperson.
 - v. A decision is made on the rule or guideline by the Chairperson and discussion is resumed.
