

Napa Valley Intergroup (NVIG) Insurance Questionnaire

NVIG requests that member groups advise us if they would be interested in purchasing a general liability insurance policy through an umbrella policy issued to NVIG. Other intergroups in California have obtained this type of policy at a much lower cost than with each meeting obtaining an individual policy. This is only a request for a statement of interest, submitting this information does not create any obligation to purchase insurance.

If interested please provide the following information:

Name of Group (Meeting): _____

Location of Meeting: _____

Approximate number of attendees at each meeting _____

Contact information for a representative of the meeting

Please email the completed form to TerryNCraven@Gmail.com with a copy to Secretary@AANapa.Org
